Notice any differences
between the units?

Different short air tube hoses.

Different length and thickness

Proper alignment is often overlooked

Check your Slope

Freshly Flamed Udder

Is Your Filter Clean? Always?

Keep Clean!

Inside and Outside Clean!

Comfortable Cow

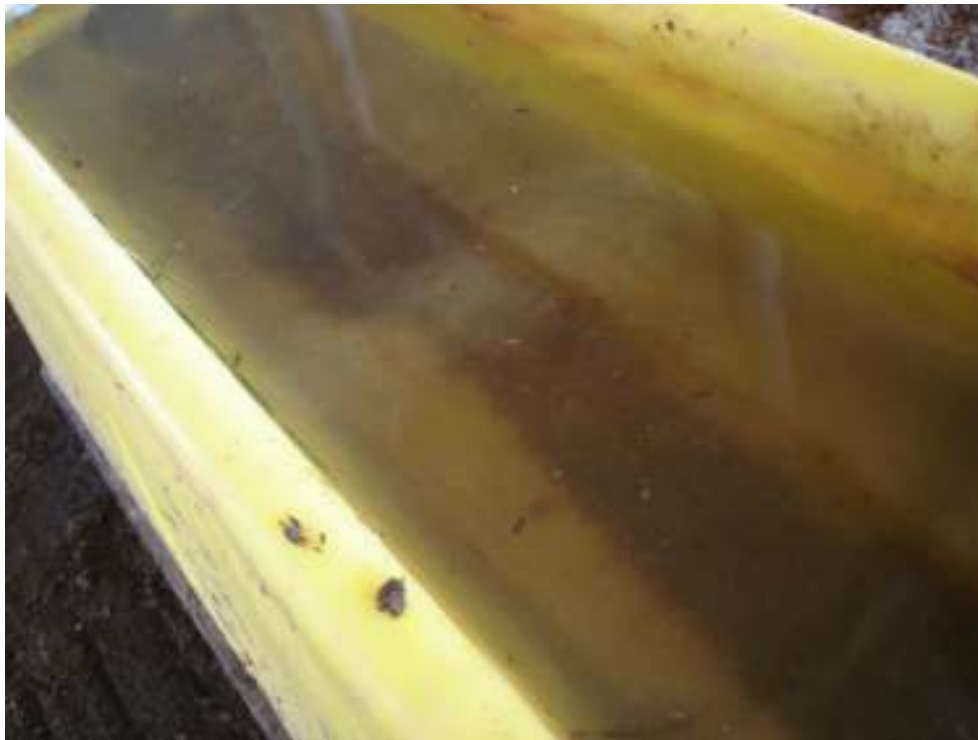

Clean Cows

Clean Stalls

Clean your Water

Score These Teat Ends

Hopefully not for too Long!

Get Back to the Ladies!

Put Your Cows in Our Hands
'Cause We Do More Than Put
Our Hands in Your Cows!!!
